Dear

Proposed Application for a Royal Charter

As you know, the Society for Radiological Protection is considering applying for a Royal Charter. On 9 December 2005 we sent to your Society, as one of the bodies we had consulted, a copy of the new memorandum that we submitted to the Privy Council with a further request for advice on the likely chances of success of a formal Petition. At the request of the Privy Council, we have today submitted to their office, a draft Charter and Bylaws. For your information I have attached a copy of the document, which with the agreement of the Privy Council, will also be available on line at <http://www.srp-uk.org/servcharter.html>.

Yours sincerely

Cathy Griffiths
