**Subject: Public announcement of the international conference concerning the conclusion of the German Telecommunication Research Programme (DMF), Berlin, Germany, June 17-18, 2008**

**Annex: Registration Form**

Dear Mr. Barret,

The German Mobile Telecommunication Research Programme (DMF) will be completed in June 2008. The results of research projects in the fields of biology, dosimetry, epidemiology and risk communications will be presented and the impact of the results on the risk assessment will be discussed in an international conference. The conference objective is to draw scientific conclusions from the DMF, taking into account the current international state of knowledge.

I am pleased to inform you about this international conference. It will take place in Berlin, 17<sup>th</sup> – 18<sup>th</sup> June 2008, Hotel Park Inn at Berlin Alexanderplatz. Detailed information will be available online (<http://www.emf-forschungsprogramm.de>) soon.

To facilitate the organisation matters, please fill in the attached registration form and return it until

**30<sup>th</sup> of April 2008.**

There is no conference fee to pay. The participation on the evening reception at Tuesday, 17<sup>th</sup> June 2008, will be free and open for everybody.

BfS has booked only a limited number of rooms in Park Inn Hotel for accommodations from 16<sup>th</sup> to 18<sup>th</sup> June 2008 (prolongable until 20<sup>th</sup> June 2008) predominantly reserved for invited speakers of the final conference of the DMF. The room rate is 159,00 EUR for a single room, and 179,00 EUR for a double room. For breakfast 17,00 EUR are charged.

These are special rates and it is strongly recommended that participants take advantage of this block booking since there will be a large international medicine congress in Berlin at same time. Obligatory booking of your accommodation in Park Inn Hotel as well as cancelation is exclusively possible by BfS. Due to the limited number of hotel rooms, please fill in the registration form and send it back to BfS as soon as possible. Please note that you are responsible for paying for your own accommodation.

If you have further questions, please do not hesitate to contact me.  
I am looking forward to a positive answer and to meet you in Berlin.

Yours sincerely,

Dr. W. Weiss  
Head of Department SG Radiation Protection and Health
