Dear Mr Galloway

### **Proposed application for a Royal Charter**

The Society for Radiological Protection is considering applying for a Royal Charter and would like your advice on the likely chances of success of a formal Petition. The attached memorandum covers the subjects specified in *Applying for a Royal Charter* at <http://www.privacy-council.org.uk/output/Page45.asp>. I would be pleased to supply any further information required and look forward to hearing from you.

Yours sincerely
